**Law Enforcement Renewal Proposal**

Shall the Erie Township law enforcement millage which expires after the tax collections in 2019 be renewed in accordance with the limitations imposed under Article IX, Section 6 of the Michigan Constitution, such that the Township of Erie be authorized to levy up to 1.0 mills, which is \$1.00 per \$1,000.00 of taxable value upon the taxable real and tangible personal property within the Township of Erie, Monroe County, Michigan, for a period of ten (10) years beginning with the tax collections in 2020 and continuing through the tax collections in 2029, all inclusive, for the purpose of funding for law enforcement in Erie Township to be used for general operations, and for capital expenditures, including law enforcement equipment and vehicles? This is a renewal of a law enforcement millage for Erie Township that began in 2010 and expires after the tax collections in 2019. With millage rollbacks through 2019, the amount of .9960 mills would be considered renewed and .004 mills would be considered new. The estimated revenue for the first year of the new levy in 2020, if the proposition is approved, shall be approximately \$187,000.

**Mason Consolidated Schools Bonding Proposal**

Shall Mason Consolidated Schools, Monroe County, Michigan, borrow the sum of not to exceed Thirty-Eight Million Dollars (\$38,000,000) and issue its general obligation unlimited tax bonds therefor, in one or more series, for the purpose of:

erecting additions to, remodeling, including security improvements, furnishing and refurbishing, and equipping and re-equipping a school building; acquiring and installing instructional technology and instructional technology equipment for a school building; erecting and remodeling school support buildings; and equipping, developing and improving playgrounds, athletic fields and facilities, driveways, parking areas and sites?

The following is for informational purposes only:

The estimated millage that will be levied for the proposed bonds in 2020 is 6.26 mills (\$6.26 on each \$1,000 of taxable valuation). The maximum number of years the bonds of any series may be outstanding, exclusive of any refunding, is thirty (30) years. The estimated simple average annual millage anticipated to be required to retire this bond debt is 5.80 mills (\$5.80 on each \$1,000 of taxable valuation).

The school district does not expect to borrow from the State to pay debt service on the bonds. The total amount of qualified bonds currently outstanding is \$0.00. The total amount of qualified loans currently outstanding is \$0.00. The estimated computed millage rate may change based on changes in certain circumstances.

(Pursuant to State law, expenditure of bond proceeds must be audited and the proceeds cannot be used for repair or maintenance costs, teacher, administrator or employee salaries, or other operating expenses.)
