Do you know what the IBEW is?

We are Telecommunication Technicians just like you! We have over 130 members working in the Northwest Ohio/Southeast Michigan area. We do all types of Low Voltage Communication work in all sorts of places!

Local 8 was one of the few Locals who started in IBEW in 1891, so we have been around for a while.

The construction industry in our area is booming! We are looking for good, hardworking, skilled Technicians to help us grow to meet the demands of this constantly growing market.

Could you be one of us?

There's only one way to find out! Doesn't hurt to take a look and see what we are all about! This could be exactly what you are looking for.

Life is all about choices. The decisions you make will affect the rest of your life. Consider a career in the IBEW doing Voice-Data-Video work. We have high wages, great benefits, and interesting and challenging work environments. A few more of our benefits include:

- ✓ **Continuing Education**
- ✓ **You only provide hand tools**
- ✓ **Overtime pay after 8 hours and on Saturdays**
- ✓ **Double time on Sundays and Holidays**

If after reading this brochure you see that your current employer doesn't offer the pay and benefits that your family deserves, ***TAKE THIS TO THEM!!!*** See if your employer will beat our pay and benefits. If they don't or won't, give us a call ***TODAY!!***

419-666-8920

**IT'S ALL ABOUT PROVIDING
FOR OUR FAMILIES!!**

The International Brotherhood of Electrical Workers has had a growing presence in the Northwest Ohio/Southeast Michigan area since 1891. Our members have paved the way for our continued growth through hard work. Our members have worked hard for the best wages and benefits as well as:

- **Safe working conditions**
- **Advancement opportunities**
- **Multiple contractors: Same pay/benefits**
- **More community involvement**
- **Work close to home or travel the country if you choose to**

Types of work

Our trained Journeyman Installer Technician perform installation and maintenance for commercial office buildings and all industries including power houses, retail stores, underground, hospitals, and manufacturing plants.

The types of work we do include:

- Network Structured Cable Installation
- Camera System Installation
- Fire Alarm Systems
- Security Systems
- Optical Fiber Installation
- Audio Video Systems
- Nurse Call Systems
- Wireless Access Systems

Local 8 has additional programs including the Residential Wiremen and Journeyman Inside Wireman.

Our signatory contractors have positions available in a variety of different roles. We are in need of electricians with experience to help manage our workload.
