

A quiet location close to historic Grand Rapids Ohio, away from the hustle and bustle yet within minutes of quaint shops, one of a kind restaurants, metro parks and river activities. Come for a day or stay for the season!

Our guests enjoy plenty of fishing, swimming and paddle boating on our 3 acre pond while also experiencing some of the most beautiful sunsets nature has to offer. Other activities include horse shoes, volleyball and a play center for the kids.

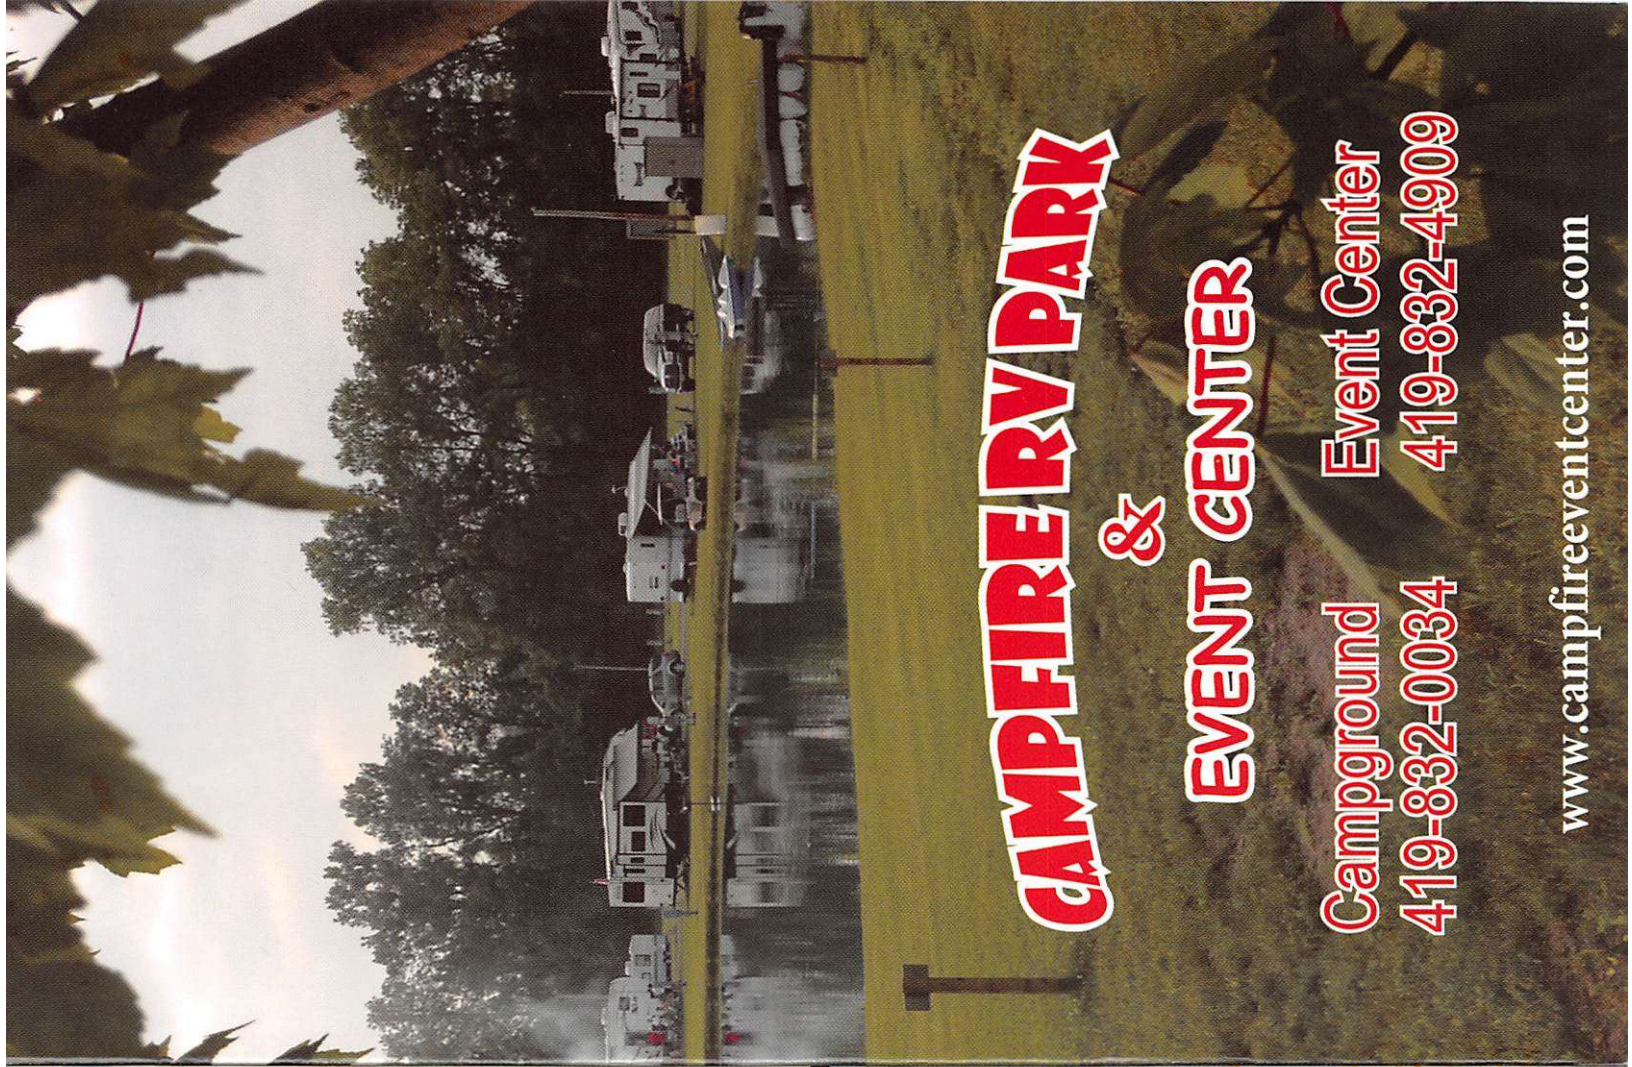

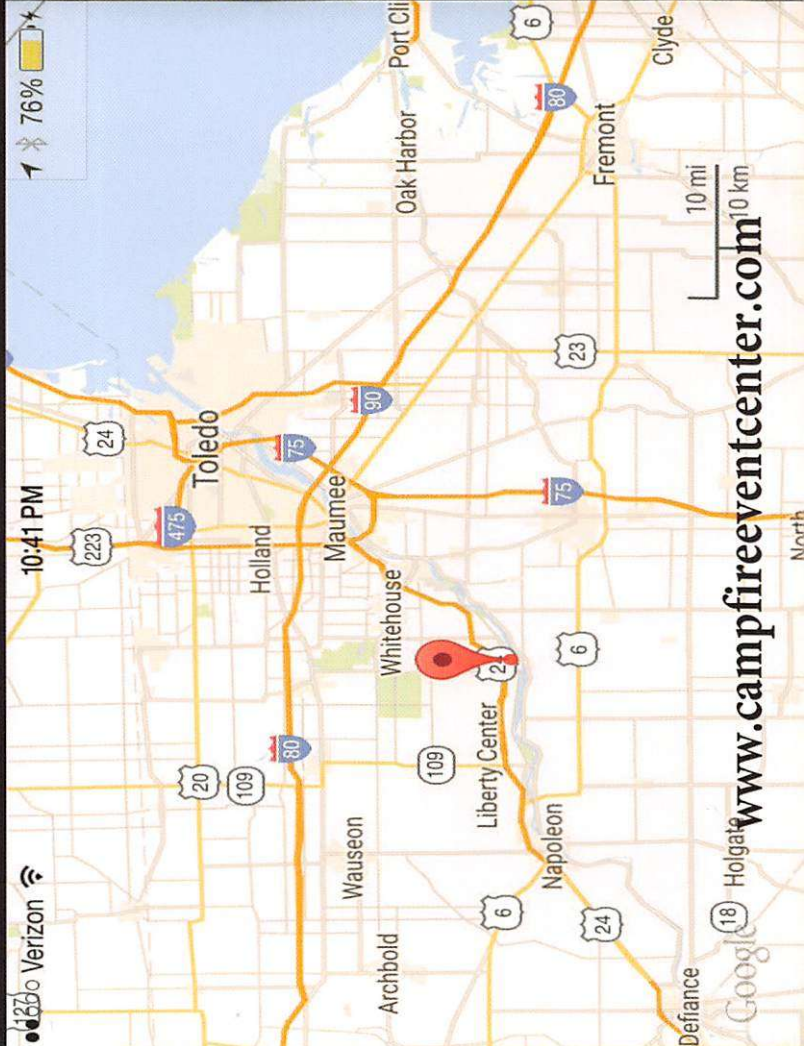

The Campfire Event Center provides ample space for weddings, family reunions, quinceaneras, church retreats, banquets and business or club meetings. A 30 x 100 outdoor patio extends the seating capacity for your guests and provides them with a view of the pond or a seat around a cozy fire.
